READY IN THE FALL

AN ENTIRELY NEW EDITION

OF THE

Pilgrim Hymnal

*Churches who are thinking about adopting a hymnal
in the immediate future should see this new book*

THIS edition has all the points which have given the *Pilgrim Hymnal* its distinctive excellence. It is of a conveniently small size. It contains over six hundred and fifty hymns selected with discrimination, voicing the modern feeling of brotherhood and social righteousness, and giving as well the older hymns of the faith. Over two hundred popular hymns have been added to this edition. Its responsive readings and orders of service are fresh and original. This book contains in slightly abbreviated form the order of worship suggested by the National Council. The printing and binding of this volume have received careful attention and the result is a marvel of flexibility and lightness. Each page, typographically considered, is a work of art.

The six years of service which it has seen have tested and approved the merits of the Pilgrim Hymnal Plan. There have been, however, a number of changes made to improve the hymnal in every respect that experience has shown desirable. A careful inquiry has been made among the many churches using this book and the results of these criticisms, favorable and adverse, appear in this revision. Only about one third of the new book remains as before. Consequently any church purchasing this up-to-date edition will benefit by the experience of the editors and of the churches who have tried out the hymnal. The book will prove a wonderful aid to a revived and enriched devotional service.

INTRODUCTION.

Everything possible has been done to bring about an early issue of the YEAR-BOOK. As usual, the issue is late. Schedules from the states were received on dates as follows:

Arizona, Wyoming, *February 3*; Hawaii, New Mexico, *February 23*; Oregon, *February 28*; Alaska, *March 1*; Maine, *March 9*; District of Columbia, Maryland, Nevada, Virginia, *March 15*; Massachusetts, *March 16, 30*; Indiana, *March 17*; New Jersey, *March 18*; Ohio, *March 25*; Alabama Association, Georgia Conference, Iowa, Middle North Carolina Association, Tennessee, Washington, West Virginia, *March 27*; Wisconsin, *March 29*; Arkansas, Missouri, North Carolina, North Dakota, South Carolina, Vermont, *March 30*; Southern California, Alabama Conference, *April 3*; Utah, *April 4*; Illinois, *April 6*; Minnesota, New Hampshire, Oklahoma, South Dakota, *April 7*; Rhode Island, *April 10*; Colorado, *April 11*; Kansas, *April 12*; New York, *April 13*; Southern California, *April 14*; Northern California, Mississippi, *April 17*; Florida, Texas, *April 20*; Nebraska, *April 21*; Louisiana, *April 24*; Michigan, Montana, *April 26*; Connecticut, *April 28*; Georgia Convention, Idaho, *April 29*; Kentucky, *May 4*; Pennsylvania, *May 8*.

This will explain.

We believe the time has come when state bodies should take action. A date may be fixed after which reports of local churches will be too late for publication. In good time, clerks will be more prompt. The schedules of state secretaries ought to be in our hand before February 15. This may enable us to issue the YEAR-BOOK about May 1.

We are pleased to make way at this time for a communication upon the work of the Apportionment Commission, which explains itself. The work of the Commission appears in the schedules for beneficence.

The new method and many changes made necessary in adjusting the compilation and summarization of YEAR-BOOK material have entailed a large burden of service on the office. So far as it has been possible, accuracy has been sought, and we believe that the present volume is more complete and accurate than any of its predecessors. It is a balanced report of the churches.

Ministers and clerks of churches who have not received copies of the Minutes of the National Council, Boston, Mass., October, 1910, to which they are entitled, all without cost, are earnestly requested to send, each one for his copy. It will be mailed, postpaid, upon request.

The churches are requested to consult the advertisements.

ASHER ANDERSON, *Editor*.

The Departments of Work are:

COLLEGES. — The problems and perplexities of our national progress increase rather than diminish. Educated Christianity is the hope of the world, and the reign of Christ over human thought must result mainly from Christian institutions.

ACADEMIES. — Our Christian academies prepare teachers for public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of home missionary churches.

MISSION SCHOOLS IN UTAH. — Mormon leaders are making strenuous efforts to extend Mormonism. Its missionaries are active in this country and abroad. The leaders have a distinct political aim to gain firmer hold in national affairs in order to gain larger liberty for their irreligious practices. Mormon church influence controls the public schools in Utah.

MISSION SCHOOLS IN NEW MEXICO. — The poverty, prejudice, and backward condition of the people are a strange anachronism in the midst of our American life. The uplifting of homes and establishing of churches will come through the children and their schools.

STUDENT AID. — Money is loaned or granted to meritorious and needy young men for studying for the Christian ministry.

THE AMERICAN BOARD OF COMMISSIONERS FOR FOREIGN
MISSIONS.

President. — SAMUEL B. CAPEN, LL.D., Boston, Mass.

Vice-President. — EDWARD D. EATON, D.D., Beloit, Wis.

Prudential Committee. — The President and Vice-President, *ex officio*; CHARLES A. HOPKINS; HOB. ARTHUR H. WELLMAN; FRANCIS O. WINSLOW; ARTHUR L. GILLET, D.D.; HERBERT A. WILDER; REV. EDWARD M. NOYES; ALBERT P. FITCH, D.D.; HENRY H. PROCTOR; REV. GEORGE A. HALL; ARTHUR PERRY; LUCIUS H. THAYER, D.D.; EDWARD C. MOORE, D.D.

This year the American Board enters upon its second century of life. The story of the first century has been rehearsed widely and most fittingly, and with gratitude to God for what he has wrought through his people, we turn our faces to the future, forgetting the things that are behind, only as they stimulate our faith and quicken our energy. We are anticipating yet greater things in the years just before us.

The Board has now in the field close upon 600 American missionaries, male and female. Connected with its 102 stations where missionaries reside there are 1,329 outstations, though these do not include all the places where the gospel is preached through its agents. There are over 300 native pastors, besides 648 preachers and catechists, and over 2,500 teachers, making the corps of Christian laborers connected with the Board's work over 5,300. This force seems large, but it is by no means adequate to the demands of the work. The missions are nearly all undermanned; some stations are only partially cared for. New and most promising openings are demanding attention and the cries for increased supplies of men and money are importunate. The nations are moving as never before and the way of the Lord is being cast up. The demand for Christian education in China, India, Turkey, as well as in other sections, is unparalleled. The recent governmental, educational, and social reforms in China, all having direct bearing upon the questions of evangelization of that empire, are such as would have been deemed incredible five years ago.

The receipts of the American Board for the last year, from all sources, amounted to close upon one million dollars. This sum is the least that should be named for the year 1911. Ten per cent additional to this would barely suffice to supply the buildings needed for educational, medical, industrial, and other mission enterprises, which have been inadequately supported the past decade. The future is bright to our eyes, and underneath all are the immutable promises of God.

THINGS WORTH NOTING.

That this year the Society completes its eighty-fifth year.

That in the early history of the Society it was interdenominational.

That many Presbyterian churches owe their foundation and life to the Society.

That the Society has expended twenty-five million dollars to plant and sustain mission churches.

That the Society commissioned 169 missionaries the first year of its history, and tenfold as many, or 1,663, last year.

That four out of every five Congregational churches were planted by the Society or its auxiliaries.

That a year of missionary labor cost the Society last year, 1909-10, \$428; 1890, \$509; 1870, \$280; 1850, \$180; 1826, \$127.

That the receipts of the Society and its auxiliaries for 1909-10 were \$662,175.19; in 1826, \$18,140.76.

That the average annual receipts for the last decade were \$517,971.89. That the expenditures of the Society for 1909-10 were \$519,670.86; for 1826-27, \$13,984.17.

That the average annual expenditures for the last decade were \$521,403.94.

That nineteen states maintain their own home missionary work and sustain an auxiliary relation to the National Society.

The aggregate receipts for home missions reached the high figure of nearly seven hundred thousand dollars. With the close of the fiscal year two states, Minnesota and Washington, became constituent states, thus releasing funds much needed for the work in the rapidly developing northwest. The administrative force of the Society has been increased since the annual meeting by the appointment of an Associate Secretary with special reference to the development of work in the cities, the former associate secretary becoming the Society's Treasurer.

STATISTICAL REPORT FOR YEAR ENDING MARCH 31, 1910.

The Congregational Home Missionary Society carried on work during the year in twenty-seven states and territories, and the constituent state societies in nineteen more. The number of missionaries under commission for the whole or part of the year was 1,663. They cared for 2,304 churches and preaching stations. Connected with these churches were 2,176 Sunday-schools.

Of these churches 348 held services in foreign tongues: German, Swedish, Dano-Norwegian, Bohemian, Italian, French, Spanish, Welsh, Finnish, Armenian, Albanian, Greek, Portuguese, Syrian, Croatian, Indian, and Japanese, — seventeen in all. The largest foreign work was carried on among the German people, 90 churches using that language in their service.

During the year 118 new churches were organized, or 33 less than last year; 80 new church buildings were erected, 14 less than last year; and 35 parsonages were built, 2 more than last year.

The number of churches coming to self-support was 96, which was 2 more than last year. Twenty-eight churches formerly self-supporting were compelled to ask aid again, 29 less than last year.

The receipts of the Society for the year were as follows:

From contributions.....	\$108,344.75
From legacies.....	153,762.91
From investments.....	23,821.01
From Joint Campaign Fund.....	146,285.87
	<hr/>
	\$432,214.54

The constituent state societies received during the year a total of \$266,067.29. Adding this to the receipts of the National Society and deducting the amount sent by the National Society to the state societies (\$36,106.64), we have \$662,175.19 as the total home missionary receipts of the year, this being \$139,199.68 more than last year. The addition of \$36,363.14 received for work by the city mission societies makes an aggregate of \$698,538.33.

The expenditures for the year for missionary work and general expenses and indebtedness were \$428,793.98, which is \$166,292.93 more than last year, but of this amount \$139,083.77 was for indebtedness and \$46,000 for legacy funds. The average gift from each member of the Congregational churches for the year was 66 cents; if the amount received from the Joint Campaign Fund be subtracted, the average per member was 45 cents as compared with 42 cents the preceding year.

FIELD

extends from the Atlantic Coast to the Hawaiian Islands, and from Porto Rico to Alaska. It includes in the South the Negroes and the Whites, both in the mountains and the lowlands; in the West, the Indians; on the Pacific Coast, the Chinese and Japanese; in Alaska, the Eskimos; and in Porto Rico and Hawaii, those of various races.

PURPOSE AND METHOD.

The American Missionary Association is training leaders for these different races. This involves an

INDUSTRIAL LEADERSHIP.

The Association years ago introduced into its schools Industrial Training. All our principal schools now give this training. The aim is not simply to instruct the few in handicrafts, but to give to the many an intelligent and efficient industrial leadership within their own race, which shall encourage industrial activity and lead to economic development.

AN INTELLECTUAL LEADERSHIP

is also furnished through the colleges and higher institutions. No race can be lifted up by means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for. In its normal schools hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of any people.

MORAL AND RELIGIOUS LEADERSHIP.

Departments of Biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building and religious instruction are everywhere a part of school training. High moral standards can be met only by a well-trained moral and religious leadership.

EDUCATIONAL WORK

includes normal, theological, college, academic, and grade teaching, with instruction in manual training, domestic science, mechanic arts, and agriculture. Its chartered institutions are Fisk University, Talladega College, Tougaloo University, Straight University, Tillotson College, for colored students; Piedmont College and Atlanta Theological Seminary for whites. Among its secondary and elementary schools are Gloucester School, Va.; Saluda Seminary, Lincoln Academy, J. K. Brick School, Gregory Institute, Washburn Seminary, Peabody Academy, N. C.; Avery Institute, Brewer Normal, S. C.; Ballard Normal, Beach Institute, Allen Normal, Dorchester Academy, Albany Normal, Knox Institute, Ga.; Fessenden Academy, Orange Park Normal, Fla.; Joppa Institute, Emerson Institute, Lincoln Normal, Burrell Normal, Trinity School, Ala.; Lincoln School, Moorhead Industrial, Mt. Hermon, Miss.; LeMoyné Institute, Grand View Normal, Pleasant Hill Academy, Tenn.; Chandler Normal, Black Mountain Academy, Ky.; Santee Normal, Neb.; Blanche Kellogg Institute, Porto Rico. One hundred and two schools in all.

CHURCH WORK.

The Association has 211 Congregational churches under its care, besides many preaching stations. The Indian Dakota Association is developing a vigorous church life. Among the Orientals, several new churches have been formed and many persons have come into the Christian life. In Porto Rico the field is white to the harvest. The South greatly needs the liberalizing and ethically tonic influence of our free, intelligent, self-governing, unsectarian churches, for both races, and many such churches are being sustained by the Association.

LITERATURE.

Interesting leaflets representing the work of the American Missionary Association can be secured at any time by sending to one of the offices.

The American Missionary magazine is published monthly, representing the work of the several home missionary societies. The subscription price is fifty cents per year.

FORM OF A BEQUEST.

I bequeath to my executor (or executors) the sum of ——— dollars, in trust, to pay the same, in ——— days after my decease, to the person who, when the same is payable, shall act as Treasurer of "The American Missionary Association," New York City, to be applied under the direction of the Executive Committee of that Association to its charitable uses and purposes.

This will should be attested by three witnesses (in some states three are required, in other states only two), who shall write against their names their places of residence (if in cities, the street and number). The following form of attestation will answer for every state in the Union: "Signed, sealed, published, and declared by the said (A B) as his last Will and Testament in the presence of us, who, at the request of the said (A B) and in his presence, and in the presence of each other, have hereunto subscribed our names as witnesses." In some states it is required that charitable bequests should be made at least two months before the death of the testator, but this rule does not apply to bequests in New York State to this Association.

THE AMERICAN CONGREGATIONAL ASSOCIATION.

Organized, 1853. Chartered, 1854.

EDGAR PARK, West Newton; HENRY P. EMERSON, Lynn.

OBJECTS.

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

FINANCIAL.

During the year the debt on the Congregational House has been reduced by \$9,000, bringing it down to \$133,000. It is a matter for wonder that our Association is almost always left out of the scope of testamentary bequests. Surely there could not be a more stable and permanent investment, or one that should more commend itself to those who have the best interests of Congregationalism at heart, than a legacy whose income would be a perpetual endowment for each and all of our missionary societies. In August, 1910, the mortgage on the Congregational House was renewed, and although the property is worth several times the amount of the mortgage, it would be far more productive for Christian work if it could be used more fully for the purposes of the Association. Every contributor to our missionary societies is directly interested in the cancellation of this debt. The Association exists for the benefit of these societies, and of the Congregational Library. The average annual rental of the Congregational House, after deducting fixed charges, amounts to about \$10,000; the interest on the mortgage is about \$5,500; if the debt were paid, the appropriations to all the missionary societies could be largely increased.

THE LIBRARY.

We have received by bequest the valuable library of Rev. Morton Dexter, rich in historical material. This is the most notable accession of the year, or, indeed, of any year since 1901, when the library of Bishop Stubbs was acquired by purchase.

The foresight of our fathers in beginning to save and store here all material bearing on "the religious history and literature of New England" is abundantly vindicated, on the one hand, by the growing scarcity of such documents, and on the other hand by the constant use of those which have been obtained. Daily pilgrimages are made hither for the ecclesiastical and statistical material which will prove more useful still as time goes on. It is too often forgotten, amid the crowd of appeals that seem more pressing, that by taking a very little pains now, the clerks or pastors of all our local churches can win the deep gratitude of those who are coming after us.

We have no Carnegie to give us a princely endowment, but in this enterprise little care and painstaking are even more welcome than gifts of money.

THE BUSINESS DEPARTMENT

publishes the *Pilgrim Series* of lesson helps, adapted to all grades of teachers and scholars; the new *Pilgrim Series of Graded Lessons*; the *Little Pilgrim Story Lessons* and the *Beginners' Course* for Primary Classes; *The Congregationalist*, our oldest denominational paper; the *Wellspring*, *Pilgrim Visitor*, and the *Muyflower*, weekly papers for all ages; the *Pilgrim Teacher*, monthly; books for Sunday-school libraries, etc.; and a full line of requisites for Sunday-schools and churches. *Books from all publishers may be purchased or ordered by mail at lowest rates.*

THE CONGREGATIONALIST AND CHRISTIAN WORLD

is in the ninety-fifth year of the life of the paper and the tenth of its ownership by the Congregational Sunday-School and Publishing Society. The paper binds our churches together, disseminates church news and methods, and promotes our denominational interests throughout the country, as no other agency.

THE PILGRIM PRESS

which is the trade name of the Congregational Sunday-School and Publishing Society, besides issuing the lesson helps and the various papers and magazines, publishes a large number of books by leading authors, of great value to our denomination and the public. Its bookstores in Boston and Chicago are centers of Congregational interests.

THE EDUCATIONAL DEPARTMENT

of the Society, in accordance with the action of the last National Council, has been notably extended. The Editor of General Publications has been made also Educational Secretary, and the Society has appropriated funds from the profits of its Business Department to assist our Sunday-schools in the task of bringing the work of administration and instruction up to the most advanced modern standards.

To assist in this work the Society has secured the services of Miss Margaret Slattery under contract for five years, and has made arrangements also with Prof. Edward P. St. John, of the Hartford School of Religious Pedagogy. Both of these eminent authorities in this department will speak and write under the auspices of the Society in its policy of producing better Sunday-schools as well as planting new schools.

CORRESPONDENCE.

1. Correspondence relating to the Missionary and Extension work should be addressed to the Missionary and Extension Secretary.

2. Contributions for Missionary and Extension work should be sent to Henry T. Richardson, *Treasurer*, Congregational House, Boston, or to the Superintendent of the state.

The Business Department is kept separate from the Missionary Department, save that it is under the same general management and that it contributes liberally from its profits to the treasury of the Missionary Department.

3. Correspondence relating to manuscripts, periodicals, etc., should be directed to *Editor of the Pilgrim Press Publications*, Congregational House, Boston.

4. Correspondence relating to Sunday-school educational methods, teacher training, etc., should be addressed to the Educational Secretary.

5. Correspondence relating to *The Congregationalist* should be addressed according to its subject-matter, either to the Business Manager or the Editors.

6. Orders, and correspondence relating to business matters, may be addressed to the Business Manager, Congregational House, Boston, or 175 Wabash Ave., Chicago.

CONGREGATIONAL BOARD OF MINISTERIAL RELIEF.

A Board organized "to secure, hold, manage, and distribute funds for the relief of needy Congregational ministers and the needy families of deceased Congregational ministers."

The basis of claim to relief is "character and extent of service," and the determining conditions are "age, extent of disability, and degree of need."

The figure set by the National Council as a necessary endowment for this Board is \$1,000,000. At present the endowment fund is about \$205,000.

Only the interest on the Endowment Fund can be used for pensions. This income is supplemented from the current receipts. The needs of the present hour must be provided for before increasing the Endowment Fund, except, of course, by such gifts as are designated for this Fund.

The receipts from all sources, from the first gift in March, 1887, to December 31, 1910, have been \$462,141.04. The receipts in 1910 were \$44,808.41.

The National Council "urges all ministers and churches to enter into hearty coöperation with the Board, to the end that the claims of this cause may be duly recognized by all, in all parts of the land."

The Board appeals

1. For an annual offering from each church.
2. For subscriptions to the Endowment Fund, from ministers during their earning period, of \$1.00 a year or more.
3. For special gifts and bequests from individuals.

FORM OF BEQUEST.

*I give to the "Congregational Board of Ministerial Relief"
 Dollars, for its uses and purposes.*

WOMAN'S HOME MISSIONARY FEDERATION.

Editorial Secretary. — Mrs. WALTER H. NUGENT, 120 High St., Newburyport, Mass.

Treasurer. Mrs. H. A. FLINT, 604 Willis Ave., Syracuse, N. Y.

This Federation is the only national organization existing among Congregational women. The constitution in part is as follows:

OBJECT. — Its object shall be to secure the coöperation of all state bodies of women who labor in any organized way for the advancement of home missionary work in connection with Congregational churches.

MEMBERSHIP. — All state organizations of women connected with Congregational churches, seeking to promote home missionary work, shall be eligible to membership in the Federation.

MEETING. — The Executive Committee shall decide on the time and place of the annual meeting, which shall be held, whenever it seems desirable, in connection with the annual meeting of one of the National Societies.

The Federation has proved itself worthy of being, it having brought about a fellowship and a mutual helpfulness between the states which would be impossible were there not a central organization. Each state continues independent as to its plan of work, treasury, etc. Among the advantages to Congregationalism are that federation gives us centralization in our home missionary activities, gives us a part in the apportionment plan of the National Council, gives us membership in the Interdenominational Council of Women for Home Missions, and makes possible organized relations with other denominational bodies. The Woman's Home Missionary Federation becomes the means by which the several state bodies can best help each other.

The American Missionary is the official organ of the Federation.

THE WOMAN'S BOARD OF MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois, and California, respectively. Each coöperates with the American Board and assumes the support of a part of the work under the care of the American Board. They collect money through Branches, Auxiliaries, and Mission Circles, and support missionaries as teachers, evangelists, doctors, and nurses. Their missionaries receive appointment from the Prudential Committee of the American Board, and are enrolled as its missionaries. Although the funds of the Boards are forwarded to the mission field through the treasury of the American Board, all the money has been previously designated by the Woman's Boards, each of which has its specific work to be supported out of its own funds. The women, girls, and children of the churches are the constituency upon whom rests the responsibility of providing these funds. The organ of the three Boards is *Life and Light for Women*, published in Boston. These Boards also coöperate with the American Board in publishing the *Mission Dayspring*, for children.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

610 Congregational House, Boston.

Directors. — Rev. ARTHUR J. COVELL, Chairman; Dr. JOHN E. BRADLEY, Rev. FRANK S. BREWER, RALPH W. ELLIS, Rev. FREDERICK E. EMRICH, D.D., Rev. WILLIAM M. MACNAIR, Rev. FRANK W. MERRICK, D.D., WILLIAM S. O'BRIEN, HENRY H. PROCTOR, HENRY R. REED, Rev. WILLIAM E. STRONG, APPLETON P. WILLIAMS.

Secretary. — Rev. CHARLES B. RICE, D.D.

This Board is maintained and controlled by the General Conference of Congregational Churches in Massachusetts. It is an agency which acts in an advisory way with respect to pastoral settlements wherever it is called upon to do it. It undertakes nothing in behalf of any church except in answer to direct official request.

The Board has no shadow of authority over the churches, but it is itself responsible to the churches. This fact of complete public responsibility is characteristic, and is meant to be controlling.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement wherever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches when requested to do it, and, when the distance allows it, supplying the pulpit and meeting the committee of the church. The consultations which are thus had are often more satisfactory in their results than written correspondence.

The work of the office is large. We have carefully recorded statements concerning more than one half of all the Congregational ministers in the country. The churches served by us are most largely in Massachusetts and in the other New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of the state through the treasury of the General Association. Fees are charged, however, to ministers, for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of Massachusetts. Within the state of Massachusetts there is no settlement fee. No charge is made to churches anywhere. But churches outside of Massachusetts have often considerably assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

BOSTON SEAMAN'S FRIEND SOCIETY.

Office: Room 601, Congregational House, Boston.

ORGANIZED in 1827 by a body of Congregational ministers and laymen in Dr. Lydian Beecher's church, the basement of which was at that time the home of the American Board. Incorporated in 1829.

President. — REV. ALEX. MCKENZIE, D. D. *Secretary.* — CHARLES F. STRATTON.
Vice-President. — SAMUEL USHER. *Treasurer.* — CHARLES F. STRATTON.

Board of Managers. — The officers above named and George Gould, Luke W. Fowle, Charles W. Wrightington, William A. Paine, Alpine McLean, Franklin P. Shumway, Francis J. Ward, Edward B. Wilder, Albert Murdoch, George F. Kendall.

Corresponding Secretary. — Rev. CYRUS P. OSBORNE.

Object. — This Society is devoted to the material, moral, and spiritual welfare of seamen. It aims to promote temperance, thrift, morality, and religion among a class of men whose privations and hardships, temptations and perils, are extreme, and who at the same time respond to helpful moral and religious influences more readily than any other class of men. It also undertakes to provide these men with social entertainment and relieve their wants when shipwrecked and destitute.

Scope. — This work is not local. It has to be done where seamen are, at large commercial centers like Boston, or on great thoroughfares of commerce, like Vineyard Sound. The work is necessarily prosecuted at points on the coast, but it cares for sailor boys who have come from every state in the Union.

Every year naval recruiting parties cover a large part of our country with their operations, and enlist young men for sea service from every state in the Union. To these lads, separated from the influences of home, church, and Sunday-school, our Bethels and reading-rooms, with their varied entertainments, furnish a safe and cheerful resort free from the temptations of the saloon.

The work is not only for sailors from every part of our land, but for men of every race and nation. These men are followed by correspondence to all parts of the world; so that while this work has its centers upon our coasts, its circumference includes all seas and shores where sailors are found.

Methods. — The work is not simply preaching to sailors, but a ministry to all the wants of seamen. Good reading is supplied to men remote from books and news stands. Entertainments, concerts, and sailors' suppers are given for the social side of the sailor's life; the earnings of men are received and placed on deposit, with interest; invalids in naval or marine hospitals are visited with cheer and comfort. The temperance pledge plays an important part, a dozen or more sailors often signing at a time. Power launches are maintained to minister to the wants of Jack afloat as well as ashore. Attractive singing is provided, not only in our Bethels, but at the navy yard and in hospitals, and sailors afloat are regaled with gospel songs that touch the heart, sung by young people on board our harbor launch. Food, clothing, and shelter are supplied to men shipwrecked and destitute at all seasons, especially in the rigors of winter. Large numbers of these unfortunates have been cared for during the last winter.

Results. — Many men have been led to save their earnings, an aggregate of many thousands of dollars. Hundreds of men have been helped and befriended in time of dire distress. Many thousands have had a cheery and homelike place of resort in reading-rooms, fitted up with games as well as with books and magazines.

All this is additional to the regular evangelistic work of the Society, which is unsurpassed in its way.

But the most noteworthy results of the work are of that intangible kind, affecting the heart and life, which cannot be tabulated. In our Sailor's Rest and Chapel, 287 Hanover St., Boston, there are religious meetings Wednesday, Saturday, and Sunday evenings, and there have been seasons when from November to May there was rarely a meeting without requests for prayer. At our Vineyard Haven Bethel there are conversions every month, nearly every week in the year, and in the last four years about 850 sailors have united in a bond of Christian fellowship known as the "Hold Fast," and with these men the Chaplain is in constant correspondence. The spiritual value of the work accomplished is beyond all estimate.

Needs. — The Society needs an annual contribution from every church, Sunday-school, and Endeavor Society. It greatly needs at this time special gifts from favored donors, amounting to at least \$7,000, to meet the balance of expense for changes and improvements in our Boston Bethel, by which two thirds of that fine building have been made available for Bethel work instead of one third, as heretofore. It needs to have its revenues supplemented by an occasional bequest from generous patrons whose living gifts may fail us. It needs the sympathy and prayers of all who care for the sailor's welfare and have any sense of the great debt we owe to the much neglected men of the sea.

FORM OF BEQUEST.

I give and bequeath to the Boston Seaman's Friend Society the sum of \$ to be applied to the charitable uses and purposes of said Society.

The Corresponding Secretary will gladly visit churches, Sunday-schools, and societies to explain the methods and results of this most interesting work.

THE THEOLOGICAL SEMINARIES.

ATLANTA THEOLOGICAL SEMINARY.

ATLANTA, GEORGIA.

Opened for instruction, 1901.

FACULTY.

- E. LYMAN HOOD, PH.D., M.A., President, and Professor of Church History.
 ALVAN F. SHERRILL, D.D., Dean, and Professor Homiletics and Pastoral Theology.
 SAMUEL W. HOWLAND, M.A., D.D., Professor Emeritus.
 LAWRENCE PHELPS, M.A., D.D., Professor Biblical Theology.
 GEO. G. A. NASSMANN, B.A., B.D., Professor Hebrew and Greek.
 C. LISLE PERCY, B.A., Instructor in English.
 FRANK E. JENKINS, D.D., Lecturer on Parish Problems.
 HENRY A. ATKINSON, PH.M., Lecturer on Sociology.

The Seminary aims (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The regular theological course embraces three years of study. At its completion the degree of B.D. or B.B.L. is given. Candidates entering upon this course must have a college course or its equivalent. The English theological course is designed to meet the needs of a great many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. The third course is the Correspondence, for home study. It is given to meet the needs of pastors who are so situated that they cannot leave their work to attend the Seminary for a regular course. The fourth is also for non-resident students, and is designed especially for the graduates of this and other seminaries, who desire to continue, under wise and experienced leadership, systematic study. To all non-resident students books are sent, lessons are assigned, and examinations are given.

The books of our library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

TERMS OF ADMISSION. — Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES. — No charge is made for tuition or room rent. Board can be obtained for \$2.00 and upward per week. A limited amount of student aid is given to worthy men. All active young men can find employment in the city that will help them to pay necessary expenses. Practical work in connection with the prosecution of studies is urged. Preaching and missionary work will enable the student to get a clear idea of some of the phases of work which are to be his.

COURSE OF STUDY. — The primary aim of the Seminary is to prepare men for the practical work of the ministry. The regular course of study, covering three years, and leading to the degree of Bachelor of Divinity, is built upon the fundamental subjects of the Bible, the History of the Church, Christian Theology, Homiletics, and Pastoral Care. There is a considerable range of electives, and these are supplemented by many allied courses in Harvard University, open to Andover students. The Hyde and Southworth lectureships provide special instruction in Christian Missions and in Ecclesiastical Polity. The region around Boston offers rich opportunities for the study of churches and church methods, and of various other agencies for social betterment.

DEGREE. — The degree of Bachelor of Divinity is conferred upon students who satisfactorily complete the three years' course of study, provided they already hold a college degree.

GRADUATE STUDENTS. — Graduates in theology are encouraged to pursue advanced study and research under the personal direction of the professors, and are admitted to advanced courses in the Seminary and in the University.

THE SEMINARY is open to students of all denominations, and is not sectarian. It has a full corps of professors of its own and offers its students all the work essential to a theological training. In addition, students are admitted to the college classes without charge.

Applicants for admission must present college diplomas. Upon graduation the academic degree of Bachelor of Divinity is conferred.

The minimum requirement for all candidates for a degree is 1,485 hours of lectures and recitations. One half of this amount is required work, including the most essential courses in each department. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction and Biblical Theology. In addition to the required work, a large number of elective courses is offered, covering a broad range of more advanced work in the several departments.

There are in the ministry many who have not received adequate training for it and who soon discover their need of theological study. The reasonable requirements for admission to the regular courses of theology place such training beyond the reach of many men of this class. In the interest of a better educated ministry the Seminary offers its advantages to a limited number of ordained ministers who have already held a pastorate, and who wish to enter upon theological studies for not less than a full year. They may enter such courses as they are prepared to pursue with profit, and will be given certificates for all work completed.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular theological course.

The New Carnegie Library, adjoining Council Hall, contains 200,000 bound and unbound volumes.

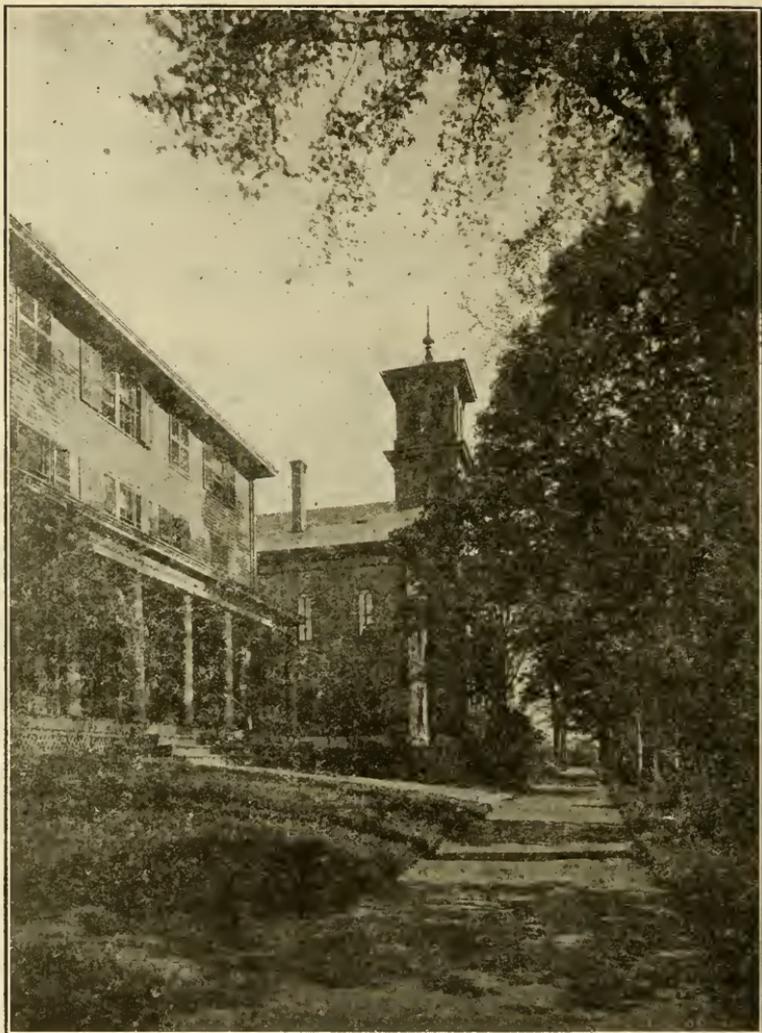

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms with hot-water heat and electric light for fifty students. Those rooming here pay a moderate incidental fee, varying according to location of room. Other students pay a fee of \$6. Aside from this fee, there is no charge made by the Seminary. The price of board in Oberlin is from \$2.40 to \$3.50 a week. Other expenses are correspondingly low.

SELF-SUPPORT. — A large proportion of the students are self-supporting. Those who desire preaching or other religious work are assisted to obtain appointments.

The Seminary funds are awarded for excellence in scholarship in the form of merit scholarships varying in amount from \$50 to \$100 each year, and in the form of remuneration for country and city mission work which is abundant in the vicinity. There is also a loan fund. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-three weeks in two semesters. The next year begins Thursday, Sept. 21, 1911. For further information address Professor G. WALTER FISKE.

The sole purpose of Bangor Theological Seminary is to train men and women to become preachers, pastors and teachers, and missionaries. Its primary and all the supplementary means of instruction seek this one end. It is open to Christians of any denomination.

It offers to college graduates and to those who have received equivalent discipline the opportunity to gain a thorough, modern, practical, ministerial training, and makes it possible for good students who are thus qualified to complete in three years the studies required for the degree of Bachelor of Divinity.

At the same time it makes provision for those who are belated in beginning their ministerial preparation and who have not had the privilege of the usual full and unbroken academic training. The studies are adapted to their needs, with the hope that they will be able, in a somewhat longer time, to cover the full course. A considerable experience has shown that there are many earnest young laymen in our churches whose early studies, practical experience and natural gifts qualify them to prosecute successfully theological studies. They often become most able and efficient ministers.

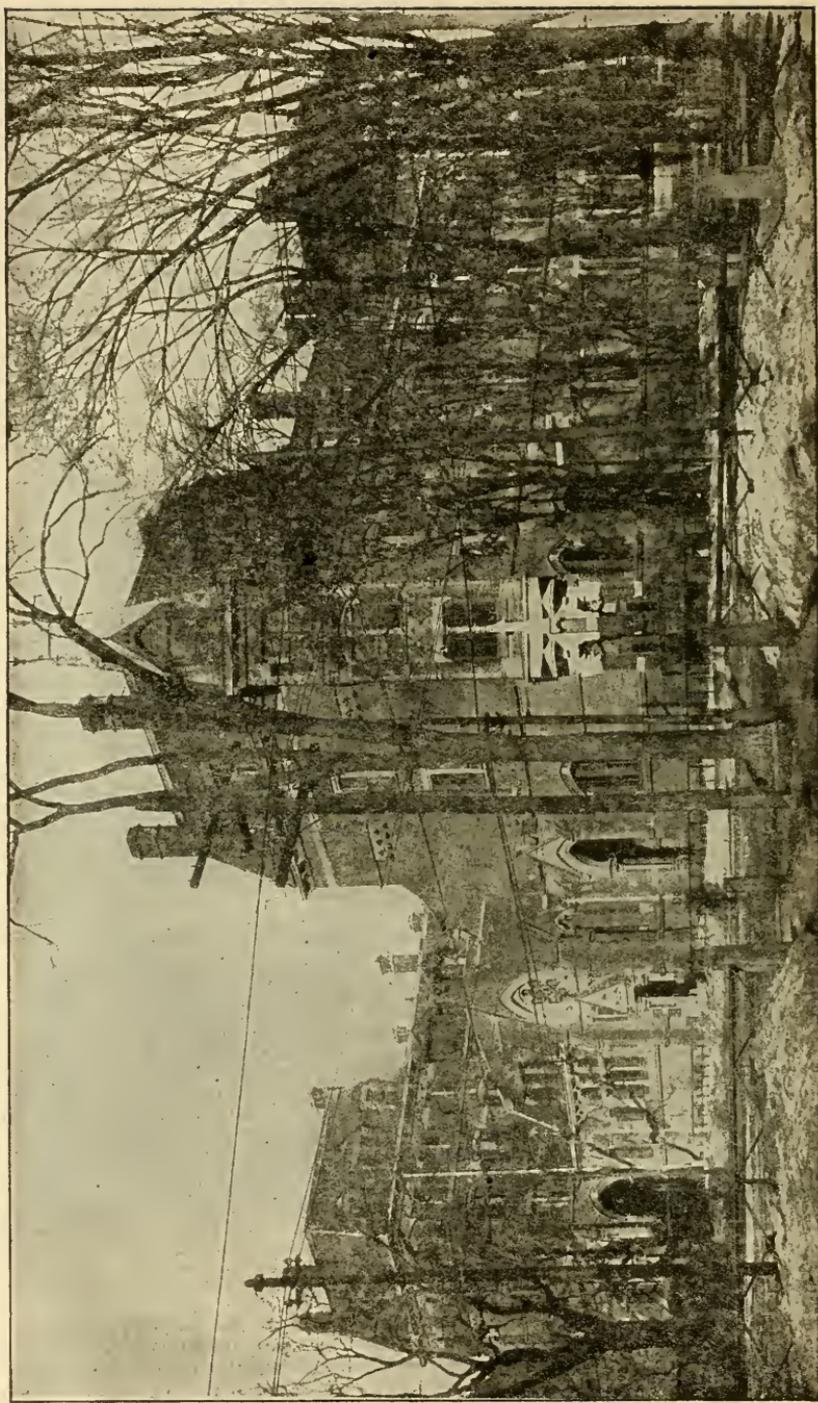

Attention is called to the Seminary's Library of above 27,000 volumes, well selected and steadily growing; to its fine gymnasium under a competent physical director; to Convocation Week, with its group of eminent lecturers and its gathering on this occasion from northern New England of a great company of working ministers; and to the special course of lectures on the Rural Church, a modification of the former Conferences on Christian Work.

Because of the adoption of the coöperative plan in the boarding-house, the necessary expenses of the student may be kept within very moderate bounds.

The Seminary year extends usually from the last Wednesday in September to the first Wednesday in June.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to the Corresponding Secretary, Prof. WARREN J. MOULTON.

RELATION TO THE UNIVERSITY. — The Divinity School is one of the coordinate departments of Yale University; its students enjoy all the general advantages of a university residence, and receive from the Corporation, on completing their three-years' course, the degree of B.D., and are enrolled among the alumni of the University.

COURSES OF STUDY. — The studies are grouped in four departments, each leading to the degree of B.D. These departments are those of (1) Pastoral Service, designed to train for the ministry of the churches; (2) Missionary Service; (3) Religious Education, for the preparation of teachers of the Bible in Colleges and other advanced posts of Christian teaching; (4) Social Service, for training in practical philanthropy based on sound economic and sociological principles.

 FLORENCE M. FREEMAN, Acting Librarian.

ADMISSION. — Candidates for admission must be college graduates or have equivalent preparation. Women are received on the same terms as men.

COURSE OF STUDY. — The curriculum covers three years, and leads to B.D. degree. It is arranged in a system of grouped Electives, which give a general course with opportunity to specialize where desirable. The studies, set out from the point of view of Christian experience, are carried on in a reverent, historical, and critical spirit, and aim at a culmination in practical fitness for the ministry. The courses in philanthropic, civic, and social work offered by the Chicago School of Civics and Philanthropy are open to all students.

SEMINARY EXTENSION. — Provision is made for the instruction of ministers in the field and others by correspondence courses of study and extension lectures at the Seminary. Write to the registrar for particulars.

FOREIGN INSTITUTES. — In these independent courses men are trained to preach in both the English and the German and Scandinavian languages. For the German a high-school training, and for the Scandinavian a good common-school fitness, is required.

CHICAGO COMMONS, the Social Settlement, of which Prof. Graham Taylor is resident warden, is a center for civic, social, philanthropic, and religious work, through which students come in direct contact with the facts of the field.

APPARATUS. — Hammond Library contains over 29,650 carefully selected volumes, current theological and literary magazines, all arranged according to departments in separate alcoves for easy reference. There are a parlor, reading room, music room, gymnasium with physical director, and light, airy, quiet dormitories looking out on Union Park.

EXPENSES AND AID. — The only charge is a nominal fee of \$1.00 a week for heated, lighted, and furnished rooms. Board can be secured near the Seminary for \$3.00 or \$4.00 a week. Scholarships and loans from \$75 to \$175 a year are granted worthy men, in addition to the grant from the Education Society. Each graduating class is offered also a fellowship, the income of \$10,000, for two years of foreign study.

CALENDAR. — The next seminary year begins Wednesday, Sept. 27, 1911, and ends Wednesday, May 8, 1912, with vacation of two weeks at Christmas.

PACIFIC THEOLOGICAL SEMINARY, BERKELEY, CAL.

Opened for service, 1869; established at Berkeley, 1901.

FACULTY.

- JOHN KNOX McLEAN, D.D., President, and Lecturer on Pastoral Methods.
 CHARLES SUMNER NASH, M.A., D.D., Professor of Homiletics and Pastoral Theology, and Dean of the Faculty.
 WILLIAM FREDERIC BADE, B.D., PH.D., Professor of Old Testament Literature and Semitic Languages.
 JOHN WRIGHT BUCKHAM, D.D., Professor of Christian Theology.
 GEORGE DEWITT CASTOR, B.D., PH.D., Professor of New Testament Literature and Exegesis.
 GEORGE TOLOVER TOLSON, M.A., B.D., Instructor in Church History and Acting Librarian.
 MRS. LOUISE HUMPHREY SMITH, Instructor in Elocution.
 CHARLES EDWARD RUGH, M.L., Lecturer in Religious Pedagogy.

The Faculty is further strengthened by coöperation with Pres. CLAIBORNE MILTON HILL, D.D., of the Pacific Coast Baptist Seminary; Dean EARL MORSE WILBUR, M.A., D.D., of the Unitarian Divinity School, and Dean HARVEY HUGO GUY, PH.D., of the Berkeley Bible Seminary.

Also, from the University of California, GEORGE MALCOLM STRATTON, PH.D., Professor of Psychology; CHARLES MILLS GAYLEY, LITT.D., LL.D., Professor of the English Language and Literature; CHAUNCEY W. WELLS, A.B., Associate Professor of English Composition and Rhetoric; ALEXIS F. LANGE, PH.D., Professor of the Theory and Practice of Education; JOHN FRYER, LL.D., Professor of Oriental Languages and Literatures; THOMAS RUTHERFORD BACON, A.B., B.D., Professor of Modern European History; WILLIAM POPPER, PH.D., Associate Professor of Semitic Languages and Literatures; CHAS. RIEBER, PH.D., Associate Professor of Philosophy.

The Seminary is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself freely of the advantages of this University, among the foremost in the United States, all of its courses being open, without cost, to the Seminary students. Courses by the eight professors of the University above named have been incorporated in the Seminary curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 200,000 volumes) and the special library of the Seminary (10,000 volumes) afford large opportunities for special study. Instruction in medicine can be had in the Medical School of the University, and better preparation in the languages of China and Japan can be had under Professor Fryer than in the Orient itself. The climate is remarkably even, constantly cool, stimulating and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry, especially the Congregational ministry. The usual courses in Exegetical, Historical, Systematic, and Practical Theology are provided. The prescribed courses, about two thirds of the whole, are arranged to cover the fundamental parts of all departments. For the rest the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. Eighty units of credit are the required minimum for graduation, a unit representing one class-room exercise a week for a half year. Hebrew is not required (Greek is) for the degree of B.D., but unusual facilities are furnished for acquiring it. The University of California has established an excellent course in modern charities.

THE SEMINARY is open to students of every Christian denomination, to women as well as to men. A college diploma is required for admission to regular standing as a candidate for the B.D. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

Regarding expenses and pecuniary aid, and for further information, address DEAN NASH.

THE NEXT YEAR BEGINS Aug. 22, 1911.

* A dash in the column of colleges implies that the student has never been connected with any college; the name of a college followed by a dash in place of year implies that the student was connected with that college, but did not complete the course. A list of the colleges and universities may be found at the end of this list.

† "Sen." means Senior. "Mid.," Middle. "Jun.," Junior. "Spec." means Special Course. "Grad." means Graduate Class. "*D. N.*," "*Ger.*," "*Slav.*," and "*Sw.*" mean *Dano-Norwegian*, *German*, *Slavic*, and *Swedish* Departments, in Chicago and Oberlin. C. I. means Christian Institute.

ANNUAL STATISTICS

OF THE

CHURCHES AND MINISTERS.

ANNUAL STATISTICS OF CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1910 by the statistical secretaries of the several state organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date Jan. 1, 1911, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the state secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows:

1. The statistics of the churches and their ministers, by states.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers and dates of sessions in 1911 and 1912, so far as correctly known.
5. General summary tables for the year.
6. Tables of summaries, 1858-1910.
7. Tables based upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city, arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of state secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the state summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and **THIS EMPHATIC TYPE IN LINE OF MARGIN, IS USED EXCLUSIVELY FOR NAMES OF POST-OFFICES.** If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton West"; if itself a name, it supersedes the other, as "Newton, Auburndale." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there

was not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since Jan. 1; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (*) denotes a church not associated.

2. Pastors installed by council are marked "i.," and pastors recognized by council are marked "r.," others in service are not marked, but are considered pastors except where otherwise distinguished. Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the state alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such are so considered and not included in list of vacant churches. When churches are supplied by ministers of other denominations it is so stated, and they appear under the head "Supplies." Churches actually vacant are found in column marked "vacant." The names of licentiates and ministers of other denominations will be found, not in the Alphabetical List of Ministers of Congregational Churches, but in lists following the regular list of Congregational ministers. The General Alphabetical List includes *only* Congregational ministers.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations Di., L., R., respectively. It should be borne in mind that in the tables, "R." includes Discipline and Roll revision. In the General Summaries the letter "R." is used, and includes Revision and Discipline.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some states do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

Students of this table should remember that 1887 was a transition year. The reports from different states covered periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is twenty months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822, and infant baptisms, 7,176.

STATEMENT OF THE APPORTIONMENT COMMISSION.

At the request of the Secretary of the National Council, the Apportionment Commission submits the following statement respecting the columns showing the offerings of the churches to the Benevolent Societies:

At the session of National Council, Boston, 1910, the following vote was passed:

"That, beginning with 1911, the figures of contributions from the churches to the Benevolent Societies published in the YEAR-BOOK be secured by the Secretary of the National Council from the treasurers of these societies; that a column be provided for the Woman's Boards as well as for each one of the seven societies, with a total of the same; a column for Other Congregational Benevolence, and one for Other Benevolence Not Congregational. For the purposes of comparison, but not for publication, the church clerks shall still be asked for figures of contributions to the societies."

It will thus be seen that the way of securing the figures for these columns was directly determined by the Council itself.

The Council further voted:

"The principles and methods in accordance with which the society treasurers shall tabulate the figures of contributions shall be determined by them only after consultation between them and the Apportionment Commission."

In accordance with this instruction, the Commission and the treasurers of the societies agreed upon the following principles as deciding whether a given contribution from a church should or should not be included in these columns:

"Contributions from any organization within a church except as provided below shall be counted as church contributions applicable to the apportionment.

"Contributions from individuals shall be counted as church contributions applicable to the apportionment when sent as such through the church treasurers, or when so requested by the donor.

"Contributions for special objects not included in the regular current work of the societies shall not be counted as church contributions applicable to the apportionment.

"Conditional gifts shall be placed in the same class as legacies; therefore not applicable to the apportionment."

It was also decided that the books of the treasurers should be kept open for receiving apportionment contributions designed for 1910 until the morning of the eighth day after the last Sunday of that year, namely, January 2, 1911.

On recommendation of the treasurers, it was agreed that a statement should be sent by each treasurer to each church of the amount received from that church during 1910, and that sufficient time be allowed to correct this statement before its insertion in the YEAR-BOOK. Such statements were sent out to all the churches early in February.

The treasurers and the Commission have endeavored by every possible means to overcome the obvious difficulties in the way of successfully using for 1910 the principles given in paragraph 5. This year a difficulty arises from the fact that the churches did not know that these principles were to be applied when they made their contributions. The time for receiving contributions for the year 1910 was considerably extended. Every effort was made to adjust the figures to the satisfaction of the churches, the intention being to apply the principle with liberality; e. g., if a church stated that it had made a contribution for a special object, supposing that that contribution would count on its apportionment, the treasurers usually counted it.

It should be especially noted that every dollar which a church contributed during the year 1910 has been included so far as the church declared it. The chief object has been to present correctly in the columns "Offerings for the Benevolent Societies" the contributions through the societies, and to include only those contributions which could be fairly applied to the apportionment of the church. In the columns "Other Congregational Offerings" and "Undenominational Gifts," there has been full opportunity to include what did not actually go to the Congregational benevolent societies, but which in preceding years has, through misunderstanding, been charged to them.

The treasurer of the Congregational Home Missionary Society has labored under peculiar disadvantage in furnishing his share of the figures for the reason that he had to secure them from the state societies and from the city societies as well as from his own books. The utmost endeavor, however, has been made to present accurate figures for this as for the other societies. Contributions to the Woman's Home Missionary Unions of the several states associated in the National Woman's Home Missionary Federation have been included under the Home Land society which the contributions finally reached, so far as data were furnished by the state organizations.

We wish to express our appreciation of the thoroughness and diligence with which the treasurers have performed their part of this difficult but important task; also, of the sympathetic and intelligent coöperation of the Secretary of the National Council, who is the Editor of the YEAR-BOOK; and, finally, of the way in which the churches have aided in what was being done.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

THE following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible, but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization, in any state, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolence Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the page is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches) are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiate follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1909, are retained, and are indexed to pages on the "Vital Statistics" when found there.

Some errors will be found in first names, initials and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numerical page reference, and in place of it the year of ordination is given.

Names of persons variously employed are indicated by *Ch.*, chaplain, *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher.

LIST OF LICENTIATES REPORTED.

This list contains the names of those apparently reported as under care, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by or under the care of any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by state only are of persons approved in the state mentioned, no residence being reported. 4. The list is incomplete, because some states make no full report of licentiates. 5. The contracted name of a state in brackets means that the name was reported by that state although the person may reside elsewhere.
